There is absolutely no smoking or vaping allowed in the cabins!
- Parking & Visitors:** Parking is supplied for one vehicle per site. Vehicles must be parked beside your trailer/camping unit not on the road. Do not drive or park on the grass. If any pets are bothering other campers, you may be asked to leave at the attendant's discretion. **Please do not tie pets to our trees!** This strips the bark and kills the trees. - Speed Limit:** **10km/hr. is the speed limit within our entire facility.** This includes the parking lots, roads to the campground, and within the campground itself. Please adhere to this.
